UK Athletics affiliated club name:

Indiv. UKA Reg No:

The entrant must agree to the following terms and conditions:

The Marlow Half Marathon, is **not open** to runners who are less than **seventeen** years of age on the race day, and if entering the Marlow 7 not less than **sixteen** on race day. If entering either event, and you are under **eighteen**, it is a condition of our UKA license that we have written parental consent in order for you to run. Could you please bring this (with you on race day) to our Registration/Late Entries team. They will then update your entry, as required.

The entrant agrees to abide by the rules of the event and that the officials' decision is final.

The entrant confirms that they have no medical disability that would endanger themselves or others by taking part (and will not run if unfit on the day).

The entrant understands that the organisers will not be liable for any loss, damage, injury or illness howsoever caused as a result of entering the race.

The entrant agrees that during the race they will obey marshals' instructions, keep to the left hand side of the road and not cross to the other side of the road unless informed to do otherwise by an official.

No refunds will be made.

In the event that the entrant is unable to take part, they will not allow anyone else to use their number without completing the official transfer process (which will be outlined in their entry confirmation email).

This event is run under UK Athletics rules and therefore MP3 players or other devices plugged into the ear are banned whilst running for reasons of health & safety, both yours and other competitors.

We require your personal information to process your entry to the Event. If required we may pass information to the governing body or any affiliated organisation for the purpose of insurance, medical information, licences or for publishing results. Results will include name, any club affiliation, WAVA percentage, race times and age category. We may also send results by email and SMS to you as part of entry to the Event. Unless you consent on the main entry page we will not send you unsolicited marketing communications.

Recognising the uncertainty associated with the large number of postponed and cancelled events over the past year, we have decided that anybody who enters the 2021 race will have a free-of-charge deferred entry to 2022 in the event of this year's event being cancelled due to Covid. Our normal T&C's will apply if the event is cancelled due to any other reason.
